Omar Faruk Tekbilek
Hasret (Flosstradamus remix)

This destined dancefloor hit from Turkish import Omar Faruk Tekbilek bangs, clanks, and hisses—just like the steam press he used to operate before he turned his sights away from the clothing factory and locked them onto the music circuit. Luckily, J2K and Autobot of Flosstradamus were two of several producers to get their paws on his tunes for the recently released *Rare Elements* remix album, and as we expected, they have crunked it up a bit.
